Socotra: The most alien looking place on earth

*Go to places no one
has been to before*

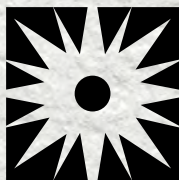

Be among the first in the Middle East to practice yoga in Socotra

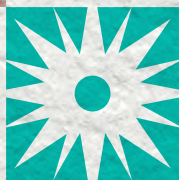

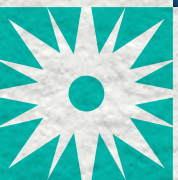

Pitch the tents in a different location every night

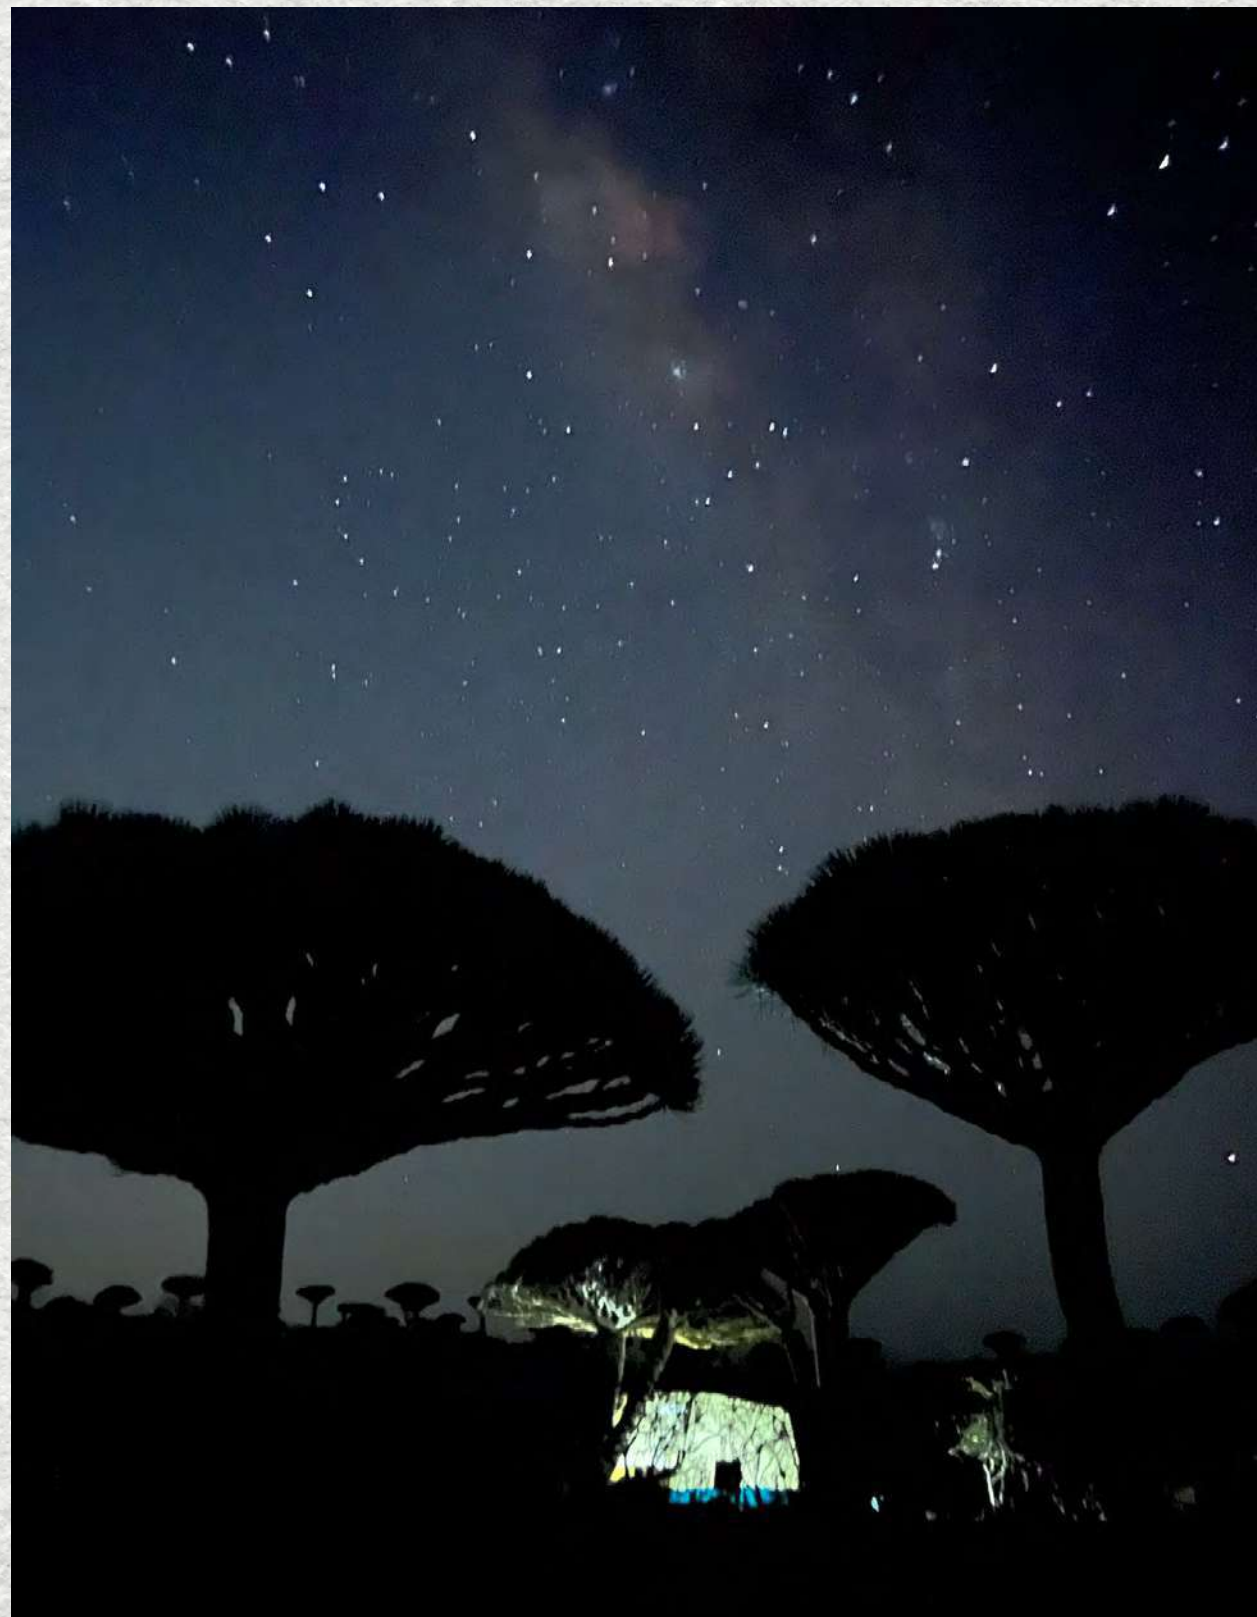

Our Home

We've chosen the most spectacular corners of the island for you to make unforgettable memories, while ensuring that your journey is as comfortable as possible.

Our Home

We pitch our tents in 4 different campsites throughout the retreat. We provide you with all the necessary camping equipment: Personal tent, mattress, bed-sheets, blanket, pillow and pillow case.

Most campsites have a decent toilet and a shower. At each campsite we set up a gazebo with tables and chairs. After sunset we light a fire that is surrounded by carpets and pillows to relax together.

This is definitely the best way to embrace nature!
